EMPAT Testing Scores for the 10/2009 Shipment Lab Number: 178744
Proficiency Summary

Laboratory Proficiency Status:

The Proficiency Analytical Testing (PAT) Board oversees EMPAT proficiency testing. A laboratory will be rated proficient for the applicable PT category if the laboratory passes a minimum of two out of the last three consecutive EMPAT rounds. A passing round score in either PT category (Fungi, Bacteria) will require a minimum scoring percentage of 85%.

Fungi = Proficient			Bacteria = Not Rated
