Tape sample collection instructions:

- Wear gloves and dust mask if necessary.
- Cut off 2-3 inches of clear scotch tape.
- Hold the sticky side onto the surface with visible mold growth.
- Remove tape and, without folding it, stick it onto a ziplock bag.
- If you have more than one sample, number each tape, matched to its site. For example:
 - o Tape 1: Basement, east wall.
 - Tape 2: Windowsill, master bedroom.
 - o Tape 3: Ceiling tile, kitchen.
- Now enclose samples in an envelope and mail to:

Mold & Bacteria Consulting Laboratories 1020 Brevik Pl., Unit 1A Mississauga, ON L4W 4N7 Canada. (Attn: Lab Manager)

Pricing (in Canadian dollar): Select the Package that Meets Your Needs

Option 1: Single Tape-lift Sample \$54.99
